- Request for funding:
  - \$5000

  - \$950 per student

- Need to ease student expenses

A: Would like 30%. Anything to cover costs.
- Q? Is the Program helping in anyway?  
A: Haven't received word yet. Told not in their budget.
- Q? Normally we do student initiatives, why the faculty-student association?  
A: Professors are paying their own way. Professors are just there as technical support. Not a club because we get more from having the faculty.
- Q? If HSF does not provide \$5000, will it make or break the trip?  
A: No.
- Q? Hypothetically, if other Humber students wanted to go, are they welcome?  
A: Yes. But for now, start small and then move to get bigger.
- Q? Would you consider in return providing work for the HSF offices?  
A: Yes, students always looking for opportunities to showcase work.

## **9. SPECIAL FUNDING REQUEST: TELECOM CLUB**

Presentation:

Trip to Communications Space Agency Museum and Station in Ottawa

Introduction:

- Last year's HSF funding and support for "Operation Contact" appreciated
- Need coach bus to travel to Ottawa
- Request for funding:
  - \$2000 for coach bus
- Details:
  - 40 students of Applied Technology
  - All other funding provided from other donors
  - Trip date: April 24<sup>th</sup>, 2009
  - Great enthusiasm

- Q & A's:

Q? Funding from Dean-level or John Davies?

A: Like to go to HSF first. Last time we were told to "go to the board first", then other supporters jumped on.

Q? Of the 40 Students, are any outside the [Applied Technology] Program?

A: Yes, many. There is no restriction on being a part of the club.

Q? Why a coach bus?

A: It's a five-hour trip, with faculty.  
- School buses only allow 40 adults.

Q? It's difficult for us to understand why you can't go to others. It's difficult to rationalize giving all of this money when we are accountable for spreading the wealth?

A: We were worried the same rationale would come up from other potential sponsors. That is why we approached HSF first.

***“Be it resolved that the HSF Board of Directors approves special funding in the amount of \$1000.00 to support the Telecom Club’s trip to CSA. “***
